### Annual Claiborne 4th of July Parade

Got a float? A decorated bike?  
A wagon full of kids? A  
patriotically attired dog?

Then congratulations - you are  
ready for the annual July 4  
parade!

We'll gather at the Hall a little  
before 2:00 to organize  
ourselves and admire one  
another's finery. Parade  
begins at 2:00, ice cream bars  
afterwards.

## Crab Alley Concert

Claiborne was privileged to be entertained by Crab Alley Band on June 4th. Great concert and always blessed to be serenaded by Claibornite Chris Noyes.

Hopefully the first of several more events at the hall this year.

## Help! We're Running Out!

Our mail carrier reports that we have fewer enough package notification tags than we have packages. Please look around your car, your desk, your kitchen counter, and round up the runaways.

Please bring them back to their home in the little rack below the outgoing mailbox. Thanks!

## Bumper Crop of Claiborne Graduates - What's Next for Them

*Edward Schaefer and Charlie Hall*

Charlie will study welding at Chesapeake College then CDL training and HVAC certification. Charlie's always enjoyed working with his hands and wordworking with Mr Blades at SMMHS gave him a great foundation. Despite the itch to travel Charlie plans to settle on the shore when gets older and we hope he does.

Edward will be attending Chesapeake College to study environmental science. Edward is a Brownsea Counselor at Henson Scout Reservation in Dorchester County. This summer he is helping the newest scouts earn their Totin' Chip badge – specifically safe use of ax, knife, and saw.

*Anna Kabler, Mike, Stella and Carrie*

On May 29th Anna Valentine graduated from St. Andrews School in Middletown, DE. Anna is back in Claiborne for the summer and will be heading to Clark University in Worcester Massachusetts in late August.

*Ellie Russell*

Ellie graduated from the Seton Home Study School and is planning to start at Chesapeake College in the fall, as well as continue to take online classes and study piano with Abby West.

This summer she is working at the Tilghman Island Country Store, as well as enjoying trips to the beach and visits to Frederick, MD to see relatives and friends.

## Claiborne Association

## The Happiness Chemicals - Mary Gregorio

I came across this “hack” recently and thought it a good reminder that we have some resources at our fingertips when we need a bit of a “happiness” boost. And some of those resources can be found right here in Claiborne! Yoga with Mike Keene comes to mind as one resource, holiday parades are another, and dark chocolate is a favorite – especially since 90% of that serotonin originates in one’s gut rather than in one’s brain.

Join in the Annual Claiborne Parade on the 4<sup>th</sup> and come to the Annual Claiborne Picnic on August 27<sup>th</sup>. You’ll find good company, delicious food and an ample supply of dopamine, endorphins, oxytocin and serotonin!
