General Meeting – Cinco de Mayo
May 5, 2024

Jim opened by noting that he is now the out-going President of the Board. Rob Todd has agreed to put together a nominating committee and present a new slate at the August General Meeting for vote.

In the treasury we have Operating Account of \$12,219, Building Improvement Fund of \$3,196 and \$14,582 in the Building Reserve Fund. Our Endowment Fund is invested and the current value is \$109,877. We recently benefited from a very generous donation made by Leslie Smith and Jessie as well as the friends of the Furhmans in honor of Beth.

We now have a new shed donated by Paul and Susan Cooper. Alan Farr built some shelves and we can start moving things inside.

New French doors have been ordered for the annex and Will Murdoch will make sure they are properly installed. The existing doors are leaking. The orchard will need some attention and a spring clean up day will be scheduled in the next few weeks.

Thanks to the Program Committee we had 12 movie nights this winter and 2 were movie and soup nights. We also had another very successful Bingo Night, 5 concerts, 1 book talk and a potluck.

Marty Bollinger had a plaque made for us with the history of the anchor sitting outside the hall. Dan Higgins gave the anchor to us many years ago.

The Development Committee sent out the first mailing of their campaign.

Special thanks to Martha for all the email communications as well as to Pat Flory for being the editor and publisher of the Clarion and assisting volunteer editors.
